Use a company with experience!

★ Curb appeal

A business that takes pride in its exterior attracts more customers and clients!

★ Sanitizing

At GCC, we make health and safety a priority! Which is why we only offer the best in sanitizing and disinfectant procedures. We stay one step ahead by using the Clorox Total 360 System!

★ KaiVac No-Touch Restroom Cleaning machine.

★ Reduced maintenance

When a facility is properly maintained, it lasts longer! When a floor is professionally stripped and waxed, it extends the life of the floor.

Our statement!

GCC's Quality Control Program and highly trained and motivated on-site management staff allows our clients the peace of mind, knowing issues will be resolved, anytime and every time.

GCC is committed and dedicated to on-going training and research. We find and apply the best techniques, equipment, and technological tools for advance facilities maintenance. Through strategic partnerships, we engage the experts in the industry to take care of all your needs, save time, and promote a greener and healthier environment.

Our Services

✓ FLOOR STRIPPING AND WAXING

Proper hard floor care ensures a healthier and hygienic environment. Extend the life of your flooring with our services.

✓ WINDOW CLEANING

Many glass surfaces in buildings must be cleaned regularly, including the inside and outside window glass and glass doors.

✓ PRESSURE WASHING

Dirt, pollen, mildew, and algae build up over time on various surfaces can cause damage to buildings. Use our services to eliminate any grime and keep your building looking sharp!

✓ CARPET FLOOR CARE

Cleaning and preventative measures must be taken to maintain and prevent deterioration of carpeted areas. Regular cleanings will extend the life of your carpet.
